Adm. Evans, Capt. Sigsbee and Cor-

Doyle, furnierly of Commodore Schley's flagship, the Brooklyn, had completed his testimony before the Schley court of inquiry Thursday, Capt. William C. Dawson, of the mattingo" where it, was alleged be had

by Lieut. Charles W. Dyson of the bureau of steam engineering of the navy department. Capt. Dawson was signal officer of went the battleship Indiana during poor had engagement off Santiago, ke gave an account fram reco of the American fleet during He said the Brookly

had gone about 2,000 yards to the southward before joining in the pur-suit of Cerrers's ships. Capt. Signibee resumed the stand in the morning to correct his testimony of Wednesday. He said he found a letter Wednesday night written May 29, in which he said he had no post-

was then asked:

"How often did you see Comme dore Schley under fire?"

During the bombardments and the buttle on July L' What was his conduct?

"I didn't have the opportunity to observe his conduct during the battle, but I did see him before and after the battle. He was as selfthose circumstances.

"Did you observe smoke over the harbor July 27"

"I propose to show the court that Commodore Schley saw the smoke in the barbor July 2. He bulleved it to indicate that the first was com-ing out. He did his duty and notified the squadron," explained Rayner, Both Lemiy and Hanna opposed

the statement, bitterly contending an impairy on the conduct of other officers connected with the Santiago campaign. They meant of course, panipuon, and that Itayaer would try to show that Sampson left the blockade on the morning of July 1.

any they, too, want the whole truth, and we are hoppy to agree with nart in the campaign come under the ope of this investigation."

Washington, Oct. 5.- In the Schley paval court of inquiry Mr. Rayner, chief of counsel for Adm. Schley, asked Judge Advocate Lently to summon Adm. Sampson as a witness in the case. The request grow out of a dif-ference in the construction of a sentence in Adm. Sampson's letter to Commodore Schley, with Commodore Schley, with the flying squadron, lay off Cicafucçoa. This is known as the "Bear Schley" letter, and in it, as printed in the naval department documents supplied to the senate, the Baldmirel said, after expressing his dies the printed in the capital states.

and Santiago until we receive more positive information."

During the examination of Com. were not in use, the fires under three mander Raymond P. Rodgers, this dis-Commander Richard Wainright that the word Santiago had been in from \$1.35 to 10 to get up steam that on the Stand Testified That sidvertently used by the commander. The fires were not even primed. in-chief, assuming that he meant to "The ship was designed to have use the word Cleafuegos, as botter the engines coupled up in time of war.

> was a parenthetical note, to which would consume 15 or 25 minutes to Adm. Schley's initials were attached, couple them up. saying that evidently the wrong city "coupled up the Brooklyn could had been mentioned. Mr. Rayner make 17 or 18 knots. During the fight asked Judge Advocate Lemiy to make to 18 or 18 knots. During the fight asked Judge Advocate Lemiy to make to 18 knots. During the fight asked Judge Advocate Lemiy to make the original of Adv. Samue with make all the necessary speed, produce the original of Adv. Samue.

Washington, Oct I.—An interesting to mean anything but Confueges. It turn was given to the Schley court to mean anything but Confuedors of Inquiry Wednesday by the introduction of the first witness in Adm. Schley's behalf. This was Lieut Jas. J. Boyle, who was watch officer on Louisy responded: "I have told you should be first without summoning the author of that dispatch." To which Copt. Lemiy responded: "I have told you specify to IT kinds an hour. The board the flagiship Brooklyn during once before you can summon any one to the Oregon was 14%, and the the war with Spain. The fact that you please."

men Ada Sanspson. This occurred only a short time beof its side of the case. Mr Doyle fore the sajournment of the court was called by the department, but as for the day, and was the subject of more or less conversation of an an-imated character after the day's work

He was the admiral being summered unless Rayner in the correction was concerted The witnesses for the day were the court of inquiry. Licent. C. W. Lysson, of the bureau of the interest of the admiral when the court adjourned for the day.

Before undergoing examination at Mr. Rayner's hands, Lieut, Doyle, at Capt, Lendy's request, explained his part to the battle of July 1, and his uriginal entry in the ship's loc concerning the famous loop and his air teration of that entry because his air teration of that entry because his subsciences of May 20 to Commodore Schley, and Commonder Allon C. Hodgson, who was the navigator of the flegson, who was the navigator of the flegson, who was the navigator of the flegson, who was the navigator of the flegson. entry had been erroneous.

Mr. Rayner asked him if it were not the flagship Brooklyn. White Combined Monday night, but the storm, true that the charge in the log was not due to an error on the part of the witness and to no desire upon the part of anybody to faisify the fact.

"Absoluted." A background for the storm the American flect which had struck the wrecked sessels presignation was tremendous. For

"And then when you learned you Adm. Schley concerning an alleged had been mistaken you made the colloquy between them during the

If you had the rough copy here you necespaper correspondent.

The correspondence has been published, and this fact removed little. proceedings of comparatively little popular interest. Licut, Doyle was also on the stand again, but only for respondent Dienaide were all recalled for the purpose of correcting their testimony as given Tuesday, and all made additional statements.

Washington, Oct. 4.—After Lieut.

Doyle, furmerly of Commodors
